[Subscribe to KCRW](#), become a [KCRW Angel](#) and you may choose to become a member of our exclusive **Cookbook Club**.

Whether you're a great cook or afraid to boil water -- this is a great premium choice. You'll receive five just-published cookbooks, throughout the year. They'll be chosen by *Good Food* host **Evan Kleiman**. The art of food writing is flourishing: in addition to terrific, useful recipes, these books will often showcase the themes that today's food writers incorporate into their work -- travel, memoirs, wine pairings, etc.
