The Little Saigon Cookbook - Dining at the Tet table

Source: http://www.ocregister.com/ocregister/life/homepage/article_965439.php

'The Little Saigon Cookbook' offers traditional recipes for a delectable Vietnamese new year's celebration. Tet, the Vietnamese new year, is by far the most celebrated and festive holiday for Vietnamese-Americans.

Ann Le has lived most of her life in the area of Southern California known as Little Saigon, where her family moved in 1975 right after the fall of Saigon. She grew up eating and cooking Vietnamese food and is acquainted with many of the people and restaurant owners in the Little Saigon community. She speaks and writes Vietnamese fluently.
